Lab Results

There is a 36 hour hold before Lab Results are available to view in YRMC CareConnect. If you are expecting a result that does not appear here, it may not be included in the information made available by your provider. Contact your healthcare provider to ask about the status of your lab results if they are not seen below.

To print, download or send lab results use the Visit Summaries -https://yrmccareconnect.iqhealth.com/health-record/sharing/ tab and select the corresponding date needed.
